STANFORD IN GOVERNMENT

April 6, 1987

Mr. William Webster, Director
C. I. A.
Washington, DC 20505

Dear Mr. Webster,

Stanford in Government (SIG), a student-run organization which promotes both public sector internships and debates on issues of national concerns, sponsors a summer program in Washington, D.C. for the approximately 100 Stanford students participating in public service internships. In the past our program has featured addresses by Jeane Kirkpatrick, Walter Mondale, Robert Dole, George Shultz, Sandra Day O'Connor, Edward Kennedy, Howard Baker, Henry Jackson, and many others.

On behalf of Stanford in Government, I would like to extend an open invitation for you to be a keynote speaker for SIG this summer. We are enthusiastic about the possibility of your speaking and feel confident that we can provide you with an appropriate forum. SIG sponsors events on a number of different levels, including large gatherings with area alumni and other schools, medium-sized gatherings of about fifty Stanford interns, and smaller, more intimate receptions. I will tailor the event to meet your specifications.

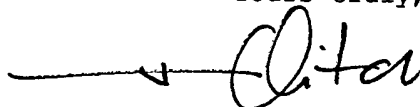

This summer our program will run from June 15 to August 19. I usually schedule events in the late afternoon or evening; SIG's timetable, however, is quite flexible, and I will accommodate your schedule as much as possible.

I hope you will be interested in direct contact with highly motivated student interns concerned with national and international issues. We at SIG would be indeed privileged to welcome you as an integral part of our 1987 program.

Please feel free to contact me should you require any additional information. I may be reached at the address and telephone number below or, preferably, at my dormitory. My telephone number here is (415) 327-1543.

Again, I sincerely hope you will take part in our summer program. Your knowledge and perspective on major policy issues would provide an essential element to any student's experience in D.C. I look forward to hearing from you soon. Thank you for your time and consideration.

Yours truly,

Mitchell J. Steinberger
Coordinator
SIG Summer Program 1987
